# Lobby Day 2010

& Legislative

---

## March 9<sup>th</sup> & 10<sup>th</sup>, 2010

On March 10<sup>th</sup>, environmental organizations from across the state of Illinois will come together in Springfield to encourage their legislators to pass critical environmental legislation currently moving through the legislature. The Illinois Environmental Council and its member organizations invite you to join us as we celebrate the growth of the environmental movement in Illinois with this special lobbying event in Springfield.

Last year nearly 100 people, just like you, who care about the environment, converged on the capitol for one day to meet with key legislators and help push for the passage of important environmental legislation! Please join us in Springfield on **March 10<sup>th</sup>, 2010**, for the **Illinois Environmental Council's annual lobby day and reception.**

**Legislative Reception & Training:** In the evening, on March 9<sup>th</sup>, we will host a small cocktail reception at the Lincoln Room of the *Mansion View Inn & Suites* for advocates, lobby day participants and champion legislators. The cocktail reception will be the first of many great opportunities to connect with your legislators. Following the cocktail reception there will be a dinner and lobby day training. Dinner will consist of pasta and salad and a training on how to be an effective citizen advocate for the environment. We will go over what the issues are surrounding the legislation you will be advocating for, teach you how to navigate the capitol complex, and train you how to interact with your legislators. (Prior to, there will be a conference call to learn an ask questions about the legislation we will be lobbying for, TBA)

**Lobby Day:** In the morning on March 10<sup>th</sup>, we will begin lobbying around 8:30am. For those who could not attend the reception and training the night before, there will be a training at 9:00am, followed by another training around 10:30am for those coming into town that morning on the train. Lobbying will continue throughout the morning. Around 12:00 noon we will provide you a light lunch. Following lunch, lobbying will continue until 3:30pm, where at that time we will re-group for a de-briefing session.

**Accommodations:** If you are arriving the night before the lobby day, we have reserved a block of hotel rooms at the *Mansion View Inn & Suites* for the night of March 9<sup>th</sup>. The *Mansion View Inn & Suites* is located downtown Springfield at 529 South 4<sup>th</sup> Street across from the Governor's Mansion and just a short walk from the capitol complex. For reservations call 1-800-252-1083 and refer to the group code

IEC. The hotel **registration deadline is March 2<sup>nd</sup>**, so please make your reservation before then.
