Title: Wisconsin Policy Coordinator (Full-Time, Exempt – located out of Wisconsin)

Organizations: Faith in Place and Faith in Place Action Fund

Annual Salary: \$40,000 plus full benefits package

Reports to: Policy Director

Position Description

Faith in Place is a multifaith, environmental nonprofit (501c3) organization with outreach staff working throughout Illinois, Indiana, and Wisconsin. Faith in Place's mission is to empower people of diverse faith and spiritualities to be leaders in advancing environmental and racial justice, providing resources to educate, connect, and advocate for healthier communities.

Faith in Place partners with communities of faith from diverse religious traditions as well as people who identify as spiritual or motivated by justice but don't identify with a specific faith tradition.

Our partners and Green Teams - groups of three or more people from a spiritual community or area who join to create healthier communities by advancing environmental and racial justice - represent diverse religious and spiritual traditions, including Orthodox, Catholic, and Protestant Christian churches; Conservative, Reform, and Reconstructionist denomination Jewish synagogues; Muslim mosques; and Zoroastrian, Buddhist, Native American, and Baha'i houses of worship.

In February of 2022, Faith in Place, Hoosier Interfaith Power & Light, and Wisconsin Interfaith Power & Light announced that they are partnering together and are working as one entity across Illinois, Indiana, and Wisconsin. The Wisconsin Policy Coordinator will join a team of Policy staff from Illinois and Indiana and will work with the entire Faith in Place Outreach and Program Staff to connect with Green Teams across the state of Wisconsin to develop and shape a policy platform campaign to advance political action for environmental justice. The Policy Coordinator will work with the Faith in Place Action Fund Board and staff, a separate nonprofit (501c4) organization, to advance that policy platform campaign through tools such as grassroots lobbying, membership campaigns, scorecards, questionnaires, interviews, and candidate endorsements.
