

Faith in Place Job Announcement

Title: Wisconsin Outreach Coordinator (Full-Time, Exempt – located out of Milwaukee, WI)

Annual Salary: \$40,000 and full benefits package

Reports to: Green Team Director

Position Description

Faith in Place is a multifaith, environmental nonprofit (501c3) organization with outreach staff working throughout Illinois, Indiana, and Wisconsin. Faith in Place's mission is to empower people of diverse faith and spiritualities to be leaders in advancing environmental and racial justice, providing resources to educate, connect, and advocate for healthier communities.

Faith in Place partners with communities of faith from diverse religious traditions as well as people who identify as spiritual or motivated by justice but don't identify with a specific faith tradition.

Our partners and Green Teams - groups of three or more people from a spiritual community or area who join to create healthier communities by advancing environmental and racial justice - represent diverse religious and spiritual traditions, including Orthodox, Catholic, and Protestant Christian churches; Conservative, Reform, and Reconstructionist denomination Jewish synagogues; Muslim mosques; and Zoroastrian, Buddhist, Native American, and Baha'i houses of worship.

In February of 2022, Faith in Place, Hoosier Interfaith Power & Light, and Wisconsin Interfaith Power & Light announced that they are partnering together and are working as one entity across Illinois, Indiana, and Wisconsin. Faith in Place's Wisconsin Outreach Coordinator works with the Faith in Place team to serve existing Green Teams throughout Wisconsin and to create new Green Teams located in Milwaukee and surrounding communities. This will include coaching Green Teams to implement programs in our five program areas: Climate Change & Energy, Sustainable Food & Land Use, Water Preservation, Advocacy, and Youth Empowerment.

The Wisconsin Outreach Coordinator will also work with the Faith in Place Action Fund, a separate nonprofit (501c4) organization. The Coordinator will work with Green Teams to advance the mission of the Action Fund: to promote political action for environmental justice. The Faith in Place Action Fund raises memberships and motivates lobbying for environmental justice. The Faith in Place Action Fund uses a number of tools to hold candidates and elected officials accountable to creating more environmental justice jobs. These tools include grassroots lobbying, scorecards, questionnaires, interviews, and candidate endorsements.
