Engaging Faith in Place’s Programs & Resources

Facilitator: Commissioner Kari Steele
Presenters: Rev. Debra Williams & Henrietta Saunders

Green Team Summit 2017
Our Vision

Diverse people of all faiths sharing the commitment to care for the Earth.

Our Mission

Faith in Place empowers Illinois people of all faiths to be leaders in caring for the Earth, providing resources to educate, connect, and advocate for healthier communities.
Our Model

Educate
faith partners on the ways to bring the message of environmental consciousness to their communities

Connect
faith communities to one another and to important resources such as funding and green experts

Advocate
with local and statewide environmental partners for accountability
Our Four Program Areas

Energy and Climate

Water Preservation

Food and Sustainable Land Use

Advocacy
The building where you gather for service is at least 100 years old and quite large. The gas bill is scary as is the electric bill. Which Faith in Place program could help in this situation?
Energy and Climate

Next step

Call Lorena Lopez
Our community has come together and planted a vegetable garden. We also planted milkweed and other native plants to help the Monarch Butterfly and other pollinators. We have one problem. We need to figure out how to have a regular water supply to keep our garden adequately watered.
Water Preservation

Ramont Bell will probably recommend that you get a ________________.
Rain Barrel
What program?
Pastor Vance will help prepare you to travel with us to Springfield in April with a Faithful Citizens Workshop. Will we see you in April 2018?
Name that Program

We educate about the power and plight of the Monarch Butterfly and have story circles.

We go out and help with restoration and conservation of the land even when its four degrees outside!

We even get on the water in canoes and kayaks!
Migration and Me

I, Debra Williams, would looooove to have your house of worship as a partner!

We connect people to people and people to nature!
Exhibitor Passport

• Visit Exhibitor tables throughout the day
• Have them stamp your passport
• Turn in your passport with at least ½ stamped & completed Exit Survey to be entered into a drawing for prizes
Join the conversation!
