Get on the Bus for Advocacy Day!

Get on a bus for our annual Advocacy Day at the Illinois State Capitol in Springfield on Thursday, April 26th!

Join us for a rally and the opportunity to educate your elected officials on the importance of promoting environmental justice in our state.

Register Here Today!

Solar is Rising in Champaign County - March 15, IBEW Local 601, Champaign

Have you noticed the solar panels appearing on your neighbors' roofs and on businesses throughout the county? Wonder if you might benefit from "going solar" too? Come find out how Solar Works for You: Rooftop, Ground Mount, Community Solar!
Community Solar Working Group - March 15, Urbana

Come join the discussion as interested folks from various faith communities discuss how to make low cost, clean and renewable solar energy available in Champaign Urbana.

Summit of Hope - March 13, Parkland College, Champaign

Faith in Place will table at Summit of Hope, a community resource event whose purpose is to provide returning citizens with information and resources to make their reentry more successful.

'Sustainable' Documentary Screening & Discussion - March 17, Decatur

Enjoy 3 films at the Environmental Film Festival! A multi-award winning documentary examines America's food & farming system with a powerful story of one extraordinary 7th generation IL farmer determined to create a sustainable future for his community & family.

'Tomorrow' Documentary Screening & Discussion - March 24, Decatur

This optimistic, multi-award winning documentary shows alternative & creative ways of viewing agriculture, economics, energy and education. It offers constructive solutions to act on a local level to make a difference on a global level.

'Catching the Sun' Documentary Screening & Discussion - March 31, Decatur

This multi-award winning documentary tells the story of the global energy transition from the perspective of American workers & Chinese entrepreneurs building solutions to income equality & climate change with their own hands.
Carbondale Community Solar - March 20 & 27, First Christian Church, Carbondale

The regular meetings of Carbondale Community Solar will be Tuesday, Feb. 13th and 27th at First Christian Church. Come join the discussion as interested folks from various faith communities discuss how to make low cost, clean and renewable solar energy available in the Carbondale area.

Welcome New Green Teams!

We are celebrating the newly-formed Green Teams at First Christian Church of Carbondale and Church of the Good Shepherd in Carbondale (check out news coverage of their solar panels)!

Watch for Early April Events!

April 8, 4-6pm, at the McKinley Foundation - Save the Date for a film screening of 'Bill Nye' with partners, Union of Concerned Scientists and Sierra Club.
